

To all Prolympo members, friends, and collectors around the world.

Our organizing team is currently in the process of finding and reserving a suitable venue for the 30th WOCF in Munich in 2027. Naturally, this is only possible if we know who is attending and what table requirements there are.

To select the right hotel, we also need to know the expected number of attendees.

Since we cannot yet determine table fees or hotel room rates at this stage, you will of course have the option to amend your registration once the prices are announced.

Nevertheless, we ask that you carefully complete the attached form and return it to me by November 16, 2026.

Visitors: please fill in only items 1–4 and 7–9.

Please contact us immediately if anything is unclear or if you have questions.

Best regards,

Klaus (on behalf of the Organizing Committee)
